About Us

Sensuousness and sensibility **LYCHEE'S** passion for the bathroom runs through its veins, and this is evident in our products. A **LYCHEE** bathroom awakens the emotions. It is an intimate place of well-being conveys elegance and luxury, and it combines aesthetics, ergonomics and functionality

In no other room is this challenge more exciting and demanding than the bathroom. That is why this fascination still drives us forward. Since its founding in the year 2006, our company, which is its family-run today, has undergone a rapid and sustained transformation. From market leader for high quality bathroom accessories, **LYCHEE** has evolved into the brand for the bathroom, we focussed on offering concepts of complete bathroom furnishings.

Important factors contributing to our success are the contemporary, technically innovative products, the richest standard of quality, a clear orientation towards design, a state-of-the-art-manufacturing facilities. Today, **LYCHEE** products are sold around the world, and are market leaders in many areas. They are the result of intensive development work, the use of the best materials, and the most careful workmanship. We combine high tech manufacturing and involved hand craftsmanship to achieve optimum result. **LYCHEE** quality sets standards.

But timeless design and long-lasting product quality are two aspects of our sustainability, philosophy. Equally important are responsible company management, and resource saving production with the help of our own water conditioning system for our electroplating plant, for example. We view the label "Made in India" as commitment to the kind of company management aims to secure jobs in the long term.
