A close-up photograph of a human eye looking upwards. A diamond ring is visible on the finger, with the diamond reflecting light. The background is a textured, light brown surface.

A reflection of
YOUR
desire

A decorative graphic element consisting of seven vertical white lines of varying heights, followed by a horizontal bar with a blue, textured, stone-like pattern.

We are pays tribute to all the striking qualities and refinement of a stone conspicuous for its sophisticated pattern. We have then drastically made improvisations on this natural stone's shapes, colors and subtle nuances, accentuating its dazzling shine, intriguing pattern and elegant appeal.

The chromatic interplay of its veins and the depth of its beautifully versatile backgrounds infuse our designs with a strong personality, transforming surfaces into an immediate focus of attraction.
