About Us

With the mission to create opportunities for people through innovation in metal fabrication works, LG Industries has emerged as a reliable manufacturer, exporter, and supplier of Octagonal Pole Foundation Bolt, Gas and Petrol Line Foundation Bolt, MS T Foundation Bolt, Mild Steel Stud Bolt, MS Anchor Bolt, and various others. We are based in Ahmedabad where we have created a spacious fabrication unit and storage area that enable us to meet our production targets.

We are specialists in the design and fabrication of a wide variety of bolts. The bolts are designed for use in different applications, such as in the installation of structures, in attaching steel materials to concrete structures, and in all types of holding and fastening works. The bolts are manufactured using the best-grade steel, galvanized iron, and other required materials. We manufacture bolts and other metal fabricated materials in various sizes and shapes to cater to the requirements of our customers.
