Inside the world of Shrine Chemicals

Established in 2012, Shrine is a prominent global chemical trading and distribution group headquartered in the UAE. Over the years, we have solidified our position as a leading player in both the Middle Eastern and international markets. The Shrine Group offers a comprehensive portfolio of products, underpinned by a unique and customer-centric service approach. With strategically located warehouses in Umm Al Quwain and Jebel Ali, complemented by a network of international offices, we have become a key influencer in the industry. We are committed to upholding the highest standards of product and service quality while ensuring full compliance with health, safety, and regulatory requirements. Our focus is on cultivating long-term, transparent partnerships with both customers and suppliers. Additionally, we prioritize the security and efficiency of our facilities to guarantee seamless operations and timely deliveries across all markets. Shrine is proudly ISO 9001 certified, reaffirming our dedication to excellence.

◆ OUR VISION

- Continue to add value for our customers, employees, and business partners with strong corporate governance principles, uncompromising safety standards, and international business standards.
- Continue to build winning teams – our greatest resource is our people.

◆ OUR MISSION

- Safely and reliably delivering high-quality products to our customers on time.
- Be the company of choice for our team, business partners, suppliers and customers – today and tomorrow.

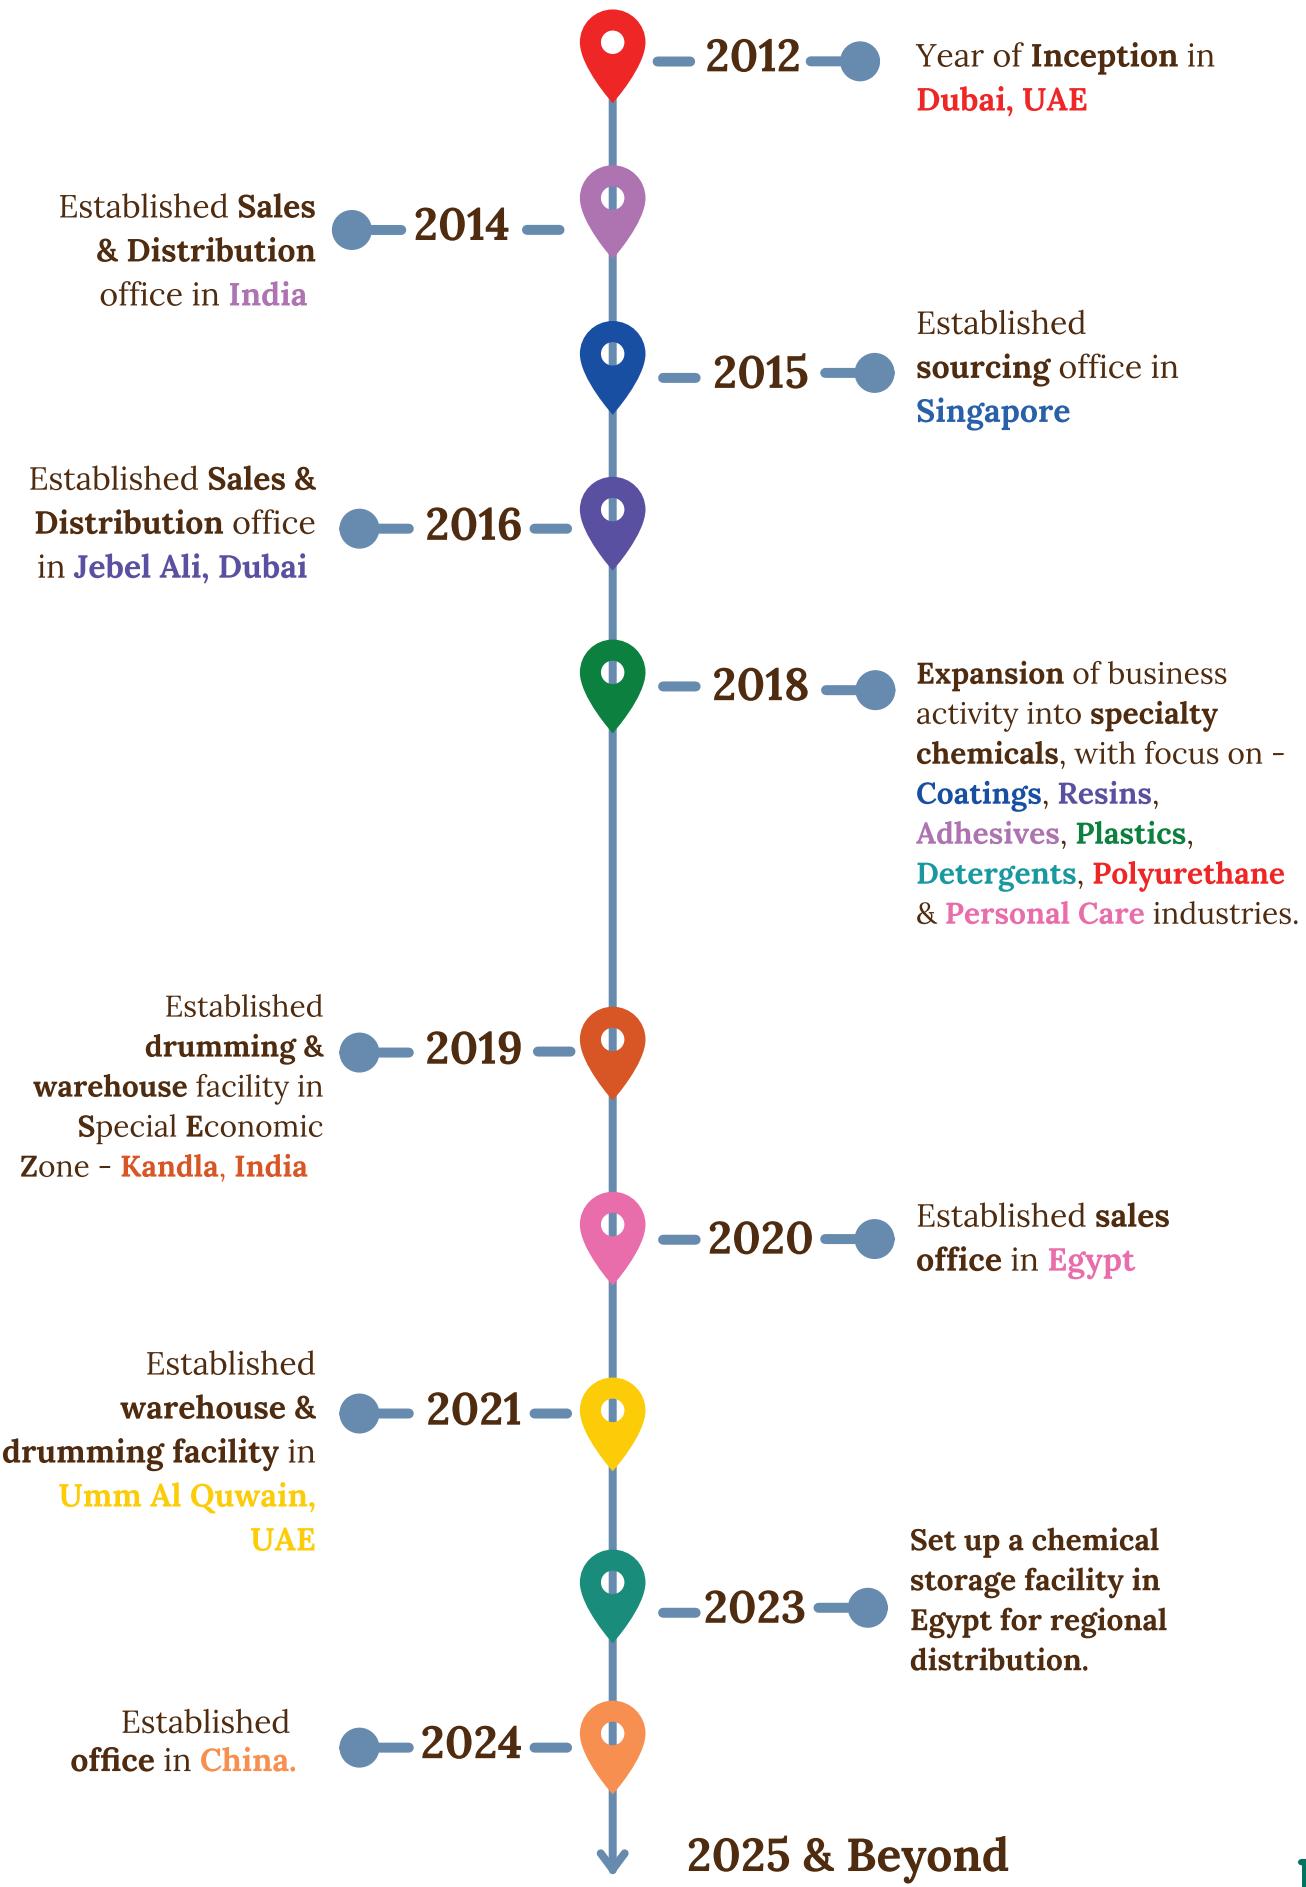

◆ OUR VALUES

- Continue to remain passionate about customers and consumers – prioritizing our customers' success is our core.
- Pride in what we do & how we do it – act with the highest standards of integrity and social responsibility.
