1. Full Grain Leather

Description: Highest-quality leather retaining the original grain and natural markings. Durable with a refined, matte-to-semi-matte surface that develops character over time

Available colors: Tan • Black • Brown • Cognac • Burgundy
• Navy

Ideal for: Luxury bags, wallets, briefcases, and premium upholstery.

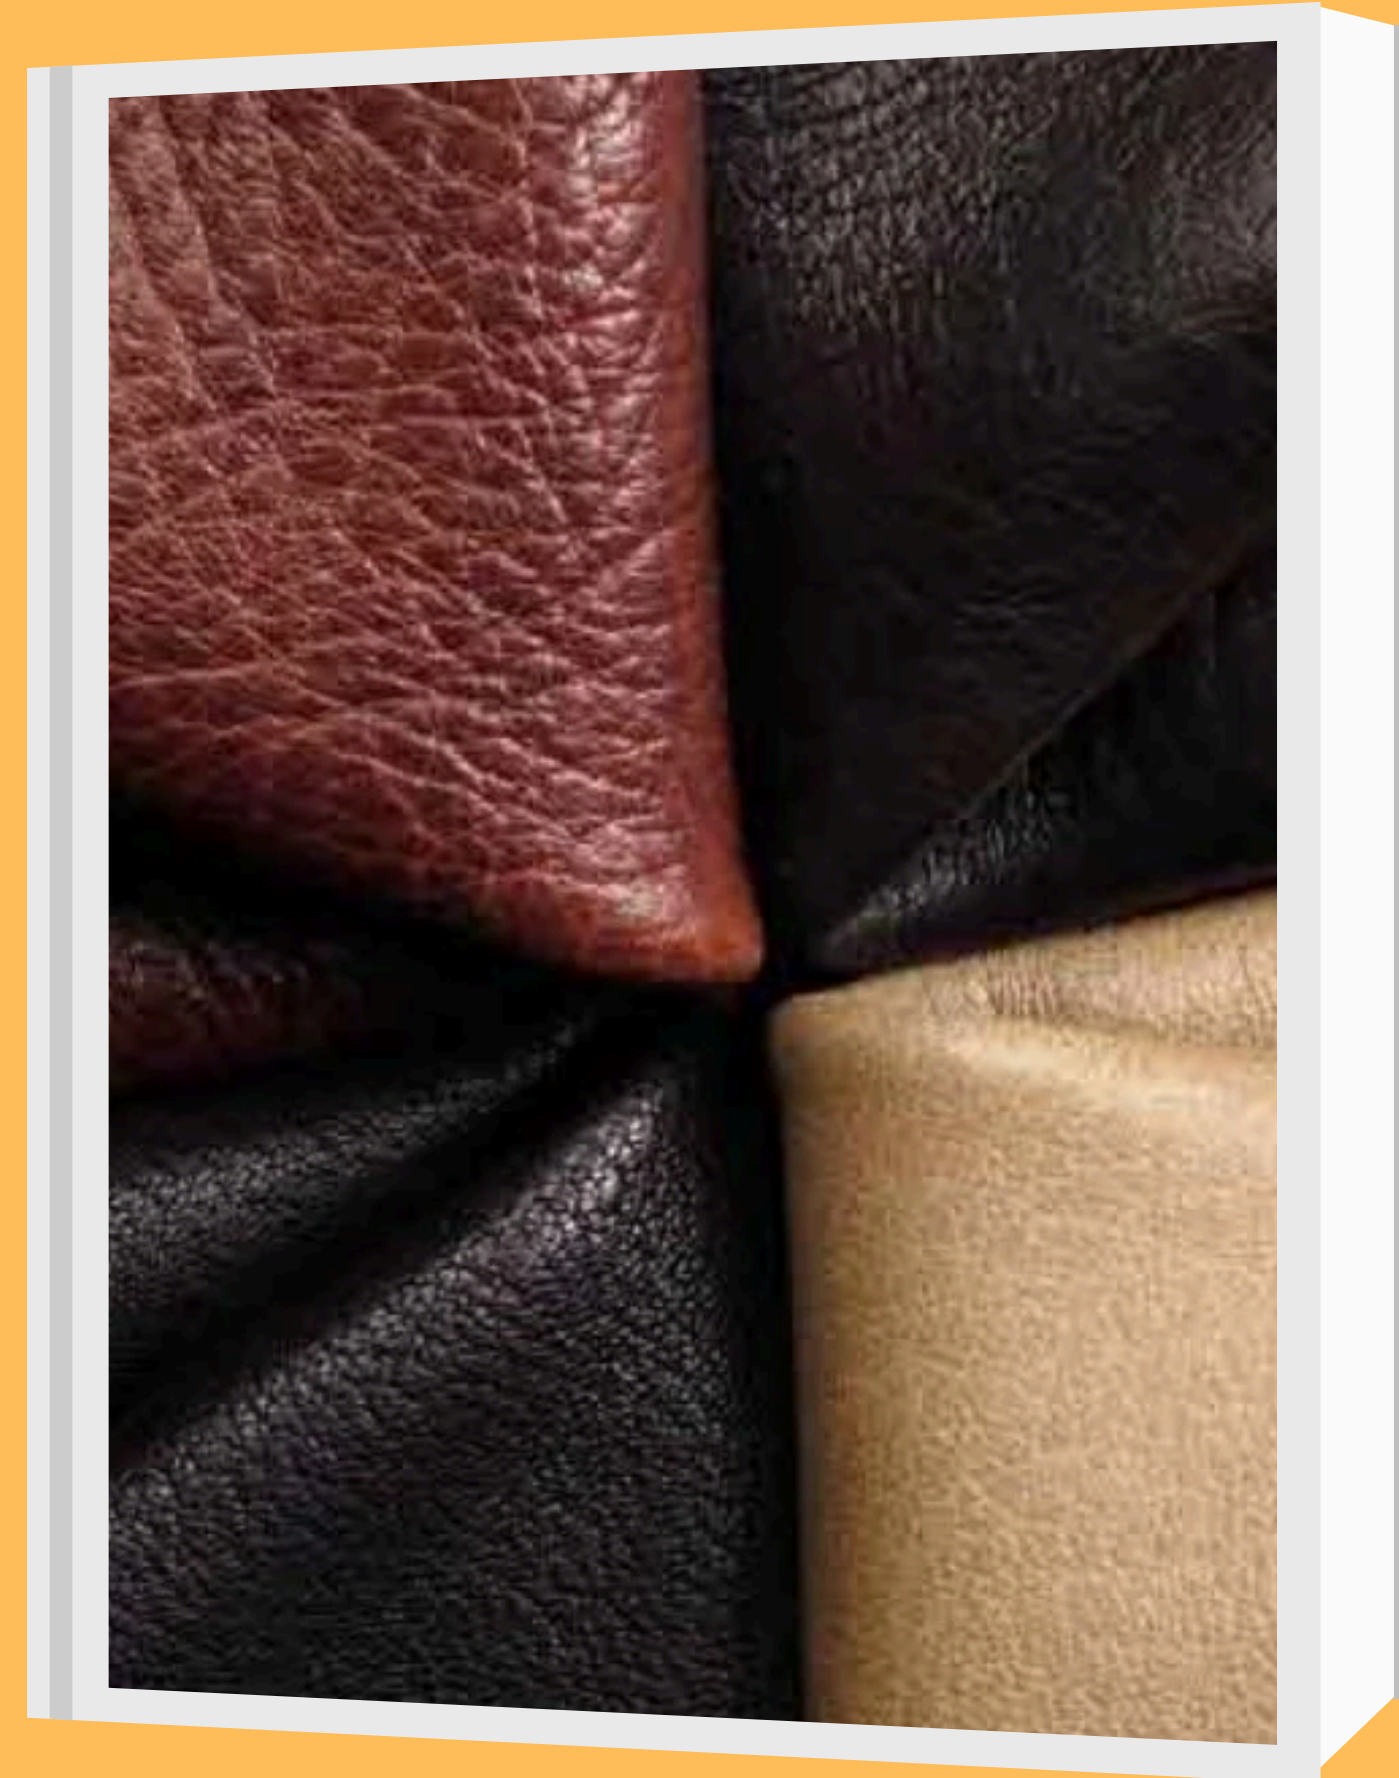

2.Top Grain Leather

Description: Slightly corrected surface for a smooth, consistent finish while keeping natural strength. Offers an even texture with a polished, elegant look

Available colors: Tan • Black • Brown • Cognac • Navy

Ideal for: Everyday bags, structured handbags, straps, and linings.

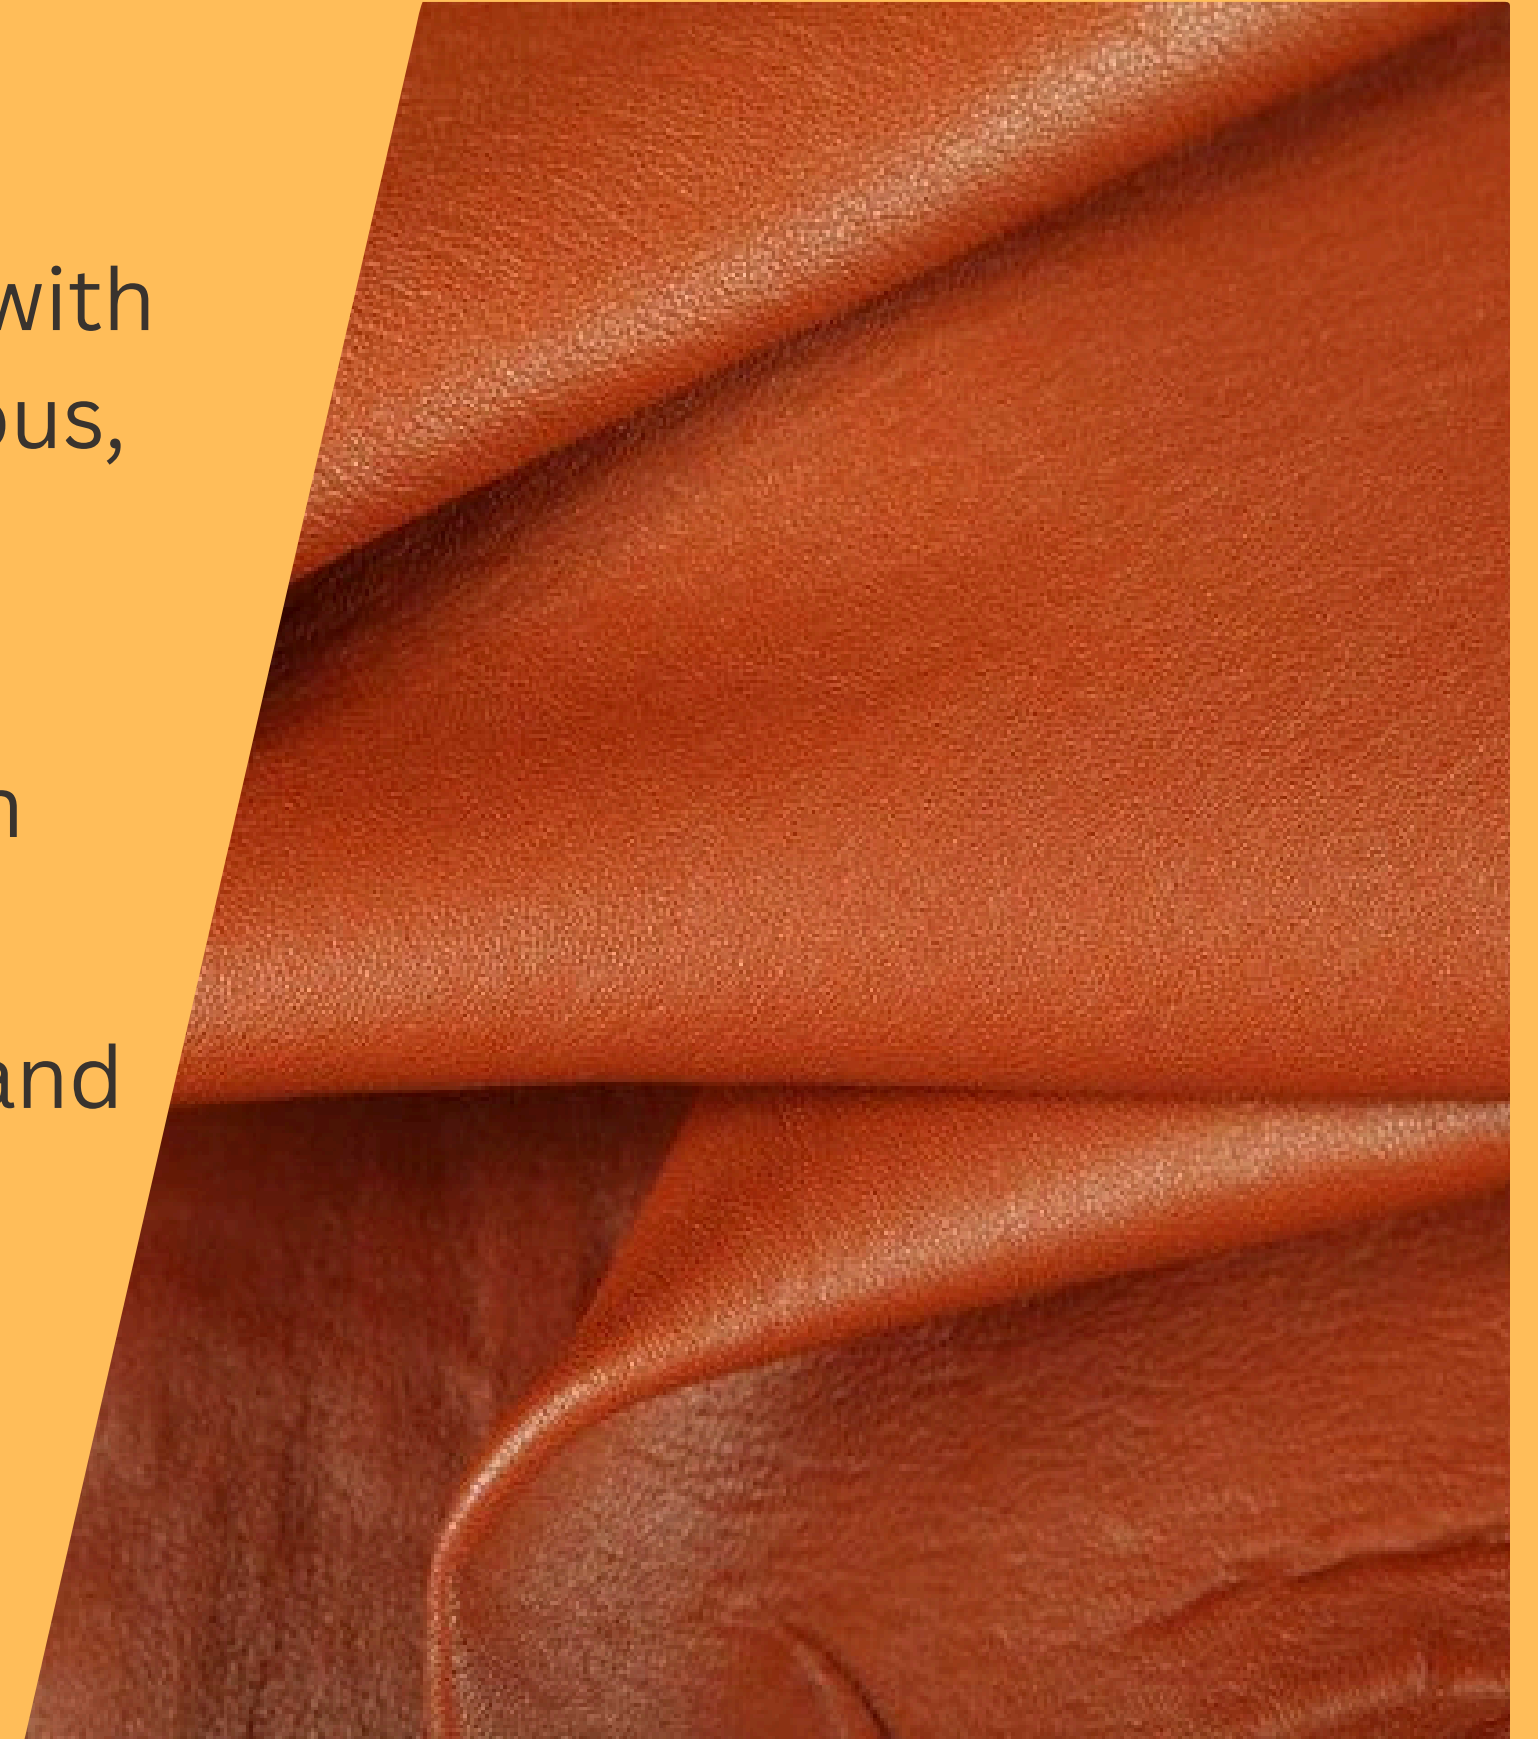

3.Nappa Leather

Description: Exceptionally soft, supple leather with a **buttery hand-feel and fine, tight grain**. Luxurious, smooth finish that feels premium to touch

Available colors: Black • Burgundy • Cognac • Tan

Ideal for: High-end small leather goods, gloves, and soft-lined interiors.

4. Saffiano Leather

Description: Crosshatch-embossed texture finished with a **protective coating for scratch resistance** and water repellence. Contemporary, structured appearance

Available colors: Black • Navy • Tan • Burgundy

Ideal for: Structured wallets, phone cases, desktop accessories, travel goods.

5. Pebble Grain Leather

Description: Distinctive pebbled texture that hides wear while **maintaining flexibility**. Durable and resistant to daily scuffs

Available colors: Brown • Black • Tan • Cognac • Burgundy • Navy

Ideal for: Everyday tote bags, work accessories, and rugged-appearance goods

6. Pull-Up Leather

Description: Oiled leather that **lightens** when **stretched or flexed**, creating a natural, lived-in patina over time. Rich, vintage character

Available colors: Tan • Brown • Cognac

Ideal for: Heritage-style bags, satchels, travel gear, and rustic accessories.

7.Suede Leather

Description: Napped underside of the hide with a **soft, velvety surface** and a matte, **tactile finish**. Elegant but requires protective care

Available colors: Tan • Navy • Burgundy • Brown

Ideal for: Soft clutches, interior linings, trims, and refined casual pieces.

8. Patent Leather

Description: High-gloss, mirror-like finish created by lacquer or coating over leather. Highly reflective and formal in appearance.

Available colors: Black • Red • Burgundy

Ideal for: Formal clutches, trim accents, shoe components, and statement pieces.

10. Vegetable-Tanned Leather

Description: Eco-friendly tanning using natural tannins; warm hues with visible natural variation and a firm hand that develops a deep patina.

Available colors: Natural • Tan • Brown

Ideal for: Heritage goods, bespoke small-batch items, belts, and long-lasting goods.

12.Hair-On Hide Leather

Description: Hide left with short hair intact for a tactile, natural fur surface and bold visual texture. Each piece is unique with natural patterning.

Available colors/patterns: Natural (browns & creams) • Black-White • Brown-White • Tan-White

Ideal for: Accent panels, luxury gift pieces, statement clutches, and artisanal projects.
