MARVELOUS
MARBLE

JOURNEY THROUGH
TIME & TRENDS

MARVELOUS
MARBLE

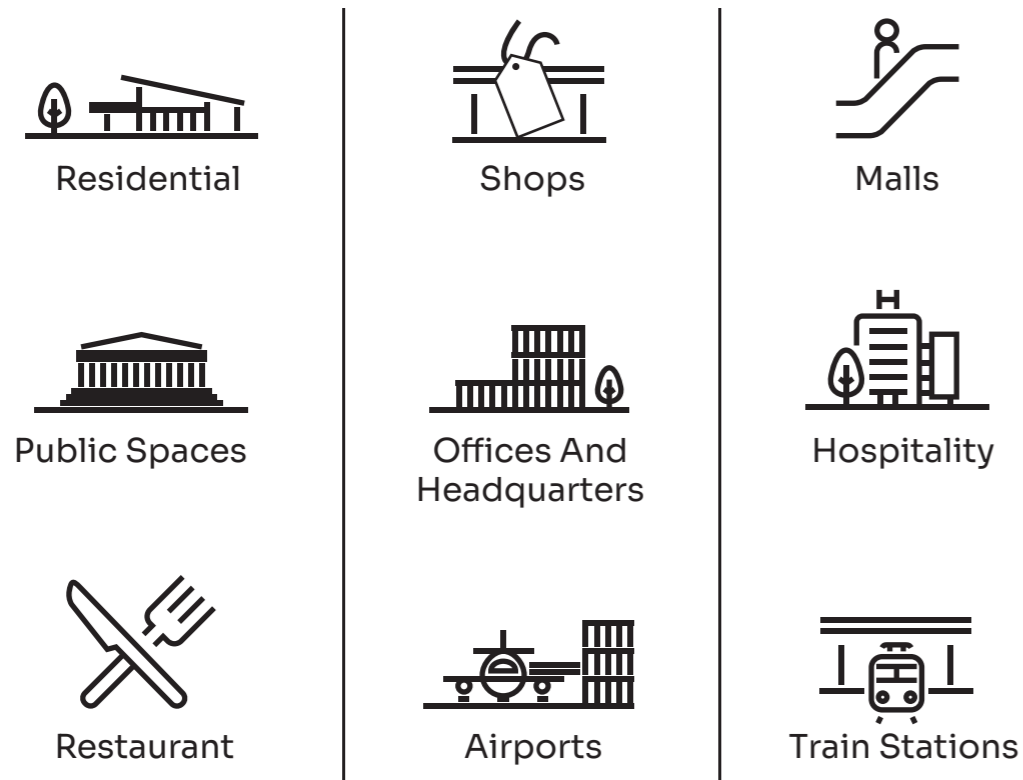

SIZE
600X1200MM

FINISH
GLOSSY FINISH

Express every corner of your space with abundant richness and a timeless aesthetic that elevates modernity.

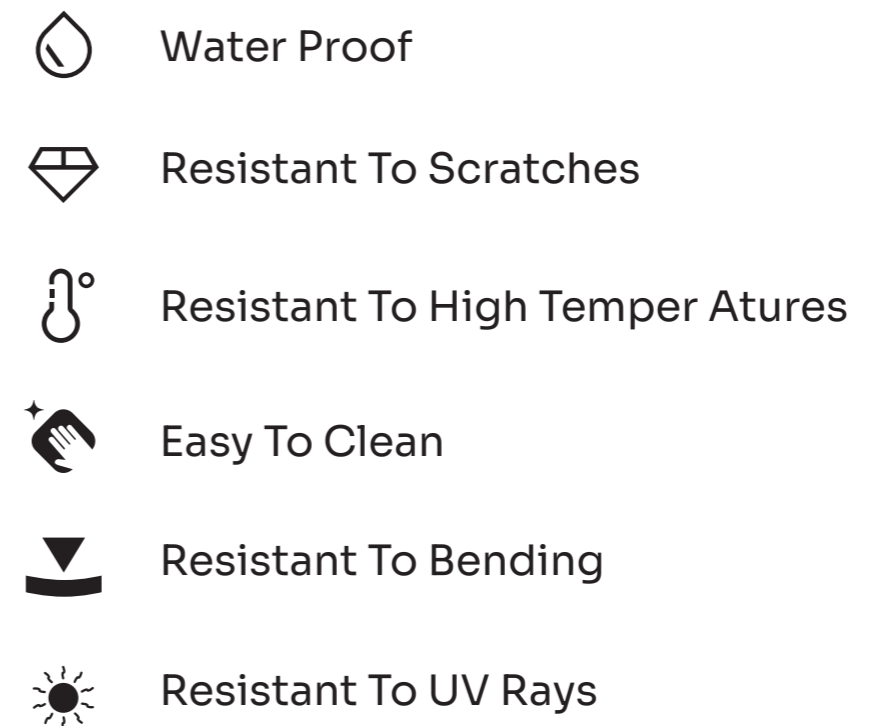

APPLICATION

Greet a complete home solution product range with us. One of the most popular practices for modern-day homes is to extend the flooring of the Living room to the kitchen.

A well designed Glossy finish tiles that will perfectly complement your trendy space.

FEATURE

The parameter used for slip resistance is called the Coefficient of Friction (COF). The higher the COF, the better the slip resistance of the tiles. Unglazed tiles, mosaic tiles (with many grout joints) and rough surfaced tiles are less slippery when compared with smooth and HIGH GLOSSY glazed tiles.

DEPTH
OF DETAIL
IN YOUR
SPACE.

MARVELOUS
MARBLE

Experience timeless charm with surfaces featuring detailed textures and artisanal craftsmanship that blend traditional charm with modern aesthetics.
